Hi Lydia. We are currently looking at all of our monthly parking rates as well as our daily rates. However, I'm unable to advise you at this time with respect to when and how much a rate increase may be.

Thanks.
Justin.

Good afternoon Thu and Justin,

I hope this email finds you well. I kindly request your assistance. Please provide us with a quote of parking charges per month starting in January – December 2017 (2 parking spots) for ProMéxico Vancouver

To be able to continue with this service it is important to know if there will be price fluctuations next year.

Please let me know if you have any question.

best regards

Lydia
